- A Golf Pass is non-transferable and is personal to the pass holder(s).
- “Family” means up to two (2) adults and their minor children (under 18 years old) living in the same household. Proof of residence may be required at the discretion of Management.
- The golf course may host special events; on such occasions, the event may preclude play by passholders.
- Mesa Del Sol sponsored event entry fees are reduced for passholders to exclude the green/cart fee portion of the entry fee. Golf Passes are not valid for events hosted by outside organizations.
- The golf course may close, or close one nine holes periodically for maintenance procedures such as, among other things, greens aeration, seeding, or summer reestablishment of turf, or due to inclement weather or emergency. The driving range may be closed periodically for maintenance, mowing and the like and it normally closes early for a few hours each week for “clean pick” and mowing.
- The golf course may operate on a limited basis during the Summer months.
- Bringing your own alcoholic beverages on to the property is prohibited by law and may result in loss of passholder privileges without refund.
- Use of private golf carts must be approved by management in advance and requires a signed Private Cart Agreement annually, proof of insurance, and display of current Permit. **We are not currently issuing any new Permits for private carts. Existing permits may be renewed.**
- Passholders must schedule tee times and check in with the Pro Shop before accessing the golf course.
- The number of passes sold each year may be limited at the discretion of management.
- Each passholder agrees to abide by all rules and regulations established by Management relating to the conduct of customers of the golf course. A golf pass may be revoked and passholder privileges terminated for any of the following reasons (a) commission of any theft or crime at the course, (b) willful destruction of course, staff or customer property, (c) physical or gross verbal abuse of staff or customers or (d) repeated failure to abide by the rules and regulations established by Management relating to the conduct of customers of the golf course.
